Introduction and Overview

The mission of the Lackawanna County Arts and Culture Department and Council on Arts, Culture and Education is to provide access to arts and culture for all residents of Lackawanna County. This is achieved through grant programs for arts and culture organizations and artists, free public arts programming, networking and workshop events and the ARTS Engage! youth art program.

2018 Community Project Grant is available on Lackawanna County web page www.lackawannacounty.org under the Arts and Culture tab.

Grants are available for programs and activities that enrich the cultural life of the residents of Lackawanna County. Artists and organizations outside of the county may be funded provided that services of comparable quality are not available through residents of the county.

- Complete applications must be received by October 13, 2017 at 2:00 pm.

Review Process

Applications will be evaluated by an objective regional panel comprised of knowledgeable community members representing arts, culture and the humanities. The panel will convene to review each application with reference to the defined criteria. Grants are awarded based on score and available funding. All applicants will be notified by mail with regard to the decisions of the panel. Panel comments will be available to applicants by phone. Applicants who do not receive adequate scores to merit a grant are encouraged to call Maureen McGuigan, Deputy Director of Arts and Culture, for panel comments.

Appeals Process

Errors may occur in the application process. The County and ACE Council are committed to acknowledging any errors and responding to rectify the effects of an error. The appeals process enables applicants to identify these errors or omissions. Appeals to the Council may result in an increase in the award amount if the applicant can satisfactorily document that the application was misinterpreted or improperly reviewed through no fault of the applicant. Any change as a result of the appeal process is approved only if the County and Council believe that the error or omission had a significant effect on the recommendation of the advisory panel.

Appeals are not intended to provide the applicant with an opportunity to challenge the recommendations of the advisory panel. Disagreements with the judgment of the advisory panel about the amount of the award are not grounds for appeals.

The appeal of an award decision must be made in writing ten (10) business days from the date reflected on the notification of the award from the County. Letters of appeal should be addressed to the Lackawanna County Department of Arts and Culture. The letter should identify the error or omission and the effect the error had on the recommendation of the advisory panel. If the appeal is supported by the Council, funds will be awarded only if they are available.

Award Process

We will try to fund as many projects as possible. Successful applicants for the funding cycle will be notified of their award in early December. Checks will be issued at an awards ceremony in January of 2018 or shortly thereafter.

All recipients or a designated individual(s) are expected to attend the public awards ceremony.
