## **DISCUSSION ITEMS**

### **a) Scranton Advisory Committee Update**

Linda Aebli stated the Advisory Committee reviewed the properties to be sold and the Board was to vote on them today. The side lots on 718 Brook Street, 530 N. Everett Ave., 111 N. Fillmore Ave, 1021 Acker Ave., 347 N. Garfield Ave., 517 Electric Street, 211 N. Cameron Ave., 1205-1207 Capouse Ave., and 305 Soldiers Court recommended be sold to the adjacent property owners. The property at 1939 Myrtle will be sold upon review by the Advisory Committee – they would like to determine whether or not an alley is included in the property. The Advisory Committee recommended the deed for the lots at 920-22 and 924 Madison Ave be transferred to the United Neighborhood Center Development Corporation. The City of Scranton granted Home Funds of \$290,000 to UNC. UNC is developing affordable housing for seniors. Fairway Consumer Discount company submitted an application to donate 4 properties on Kirkland Avenue in North Scranton. The Advisory Committee recommended we do not accept these properties at this time. They do not think we should accept a donation unless there is a plan for the property. Commissioner O'Malley requested a timeline of when the last payment of taxes were made and when the next payment of taxes will made on these properties. Ralph and Ann Slack are setting up a meeting with John Foley, Mauri Kelly and Ron Koldjeski to determine when the back taxes were payed. Ralph also noted the price is to be determined on the Madison Avenue property to UNC but that all other side lots are conveyed for \$100.00.

### **b) Demolition Lien Update**

Linda Aebli announced that she received the determination from HUD on April 25, 2017. It was very positive. HUD indicated when the demolition occurred the national objective of the elimination of slim and blight was achieved. It is the City of Scranton/OECD's policy to place the liens on the property to protect the federal dollars. We control the lien. HUD does not require the repayment of these funds. In addition to the clearing of liens via the judicial sale, Linda will satisfy each one of the property liens when sold.

### **c) Land Bank Website**

George Kelly informed the Board the website is almost complete and should be completed by the next meeting.

**d) Property Disposition Update**

Attorney Colbassani is preparing the first set of deeds that have been approved. He is developing a template to put on his system for the side lots. The deeds should be ready in 2-4 weeks. George Kelly then explained the process. The properties are posted on the website and signage is placed. The potential buyer fills out an application for side lot properties and property acquisitions. The application is presented to the Advisory Committee for direction and recommendation. It then goes to the Board for approval and voted on. Ralph also mentioned he mailed 6 sales agreements and received 3 back. We have applications for 23.
