NOTICE IS HEREBY GIVEN that pursuant to a fair and open process, sealed submittals will be received and reviewed by the County of Lackawanna ("COUNTY") Board of Commissioners ("Board of Commissioners") for the provision of services to eligible individuals served by the Lackawanna County Area Agency on Aging / Aging Block Grant. This RFQ will be used in applying for funds to provide services for Fiscal Years 2017/2018 thru 2019/2020.

Submission Deadline:

Respondents must submit their written Submittals by 4:00 p.m. prevailing time: **May 08, 2017**

Contact Person:

Rebecca Munley

Email: munleyr@lackawannacounty.org

Submissions received will be reviewed and evaluated by the Lackawanna County Area Agency on Aging (herein after referred to as the Department), based upon such criteria as the Department, in its sole discretion, deems appropriate. The Department reserves the right to request clarification or additional information from any respondent. The Department, in its sole discretion, may accept or reject any or all submittals.

The Department reserves the opportunity to modify this Request for Qualifications (herein after referred to as RFQ) at its own discretion and without prior notice, and to waive any immaterial defect or informality in any proposal as may be permitted by law.

2. PURPOSE:

The purpose of this Request for Qualifications is to solicit submissions from qualified agencies and /or individuals to provide professional services on behalf of the County in connection with the administration of the Aging Block Grant. Service areas/definitions include:

- **Adult Day Care**...is a consumer choice service where Older Adult Daily Living Centers operate for part of a 24-hour day and offer an interactive, safe, supervised environment for older adults with a functional impairment, and adults with a dementia-related disease, Parkinson's disease or other organic brain syndrome. Older Adult Daily Living Centers offer a community-based alternative to institutionalization and provide a reliable source of support and respite for caregivers, while providing personal care, nursing services, social services, therapeutic activities, nutrition and therapeutic diets and emergency care.

Unit of service = one full day or half-day attendance that includes a meal.

- **Caregiver Support Program**...provides fiscal management for consumer reimbursement services for the National Family Caregiver Support Program (Federal FCSP) and Pennsylvania Caregiver Support Program (State FCSP).

The Family Caregiver Support Programs are designed to assist family and other unpaid adult primary caregivers caring for: functionally dependent older persons (age 60 and older) and adult relatives with chronic dementia; care receivers age 18+ with chronic dementia; non-parent caregivers, age 55 and older providing care for adult relatives with disabilities, who are between 19 and 59 years of age; and caregivers age 55 and older who are caring for related children age 18 or under with priority given to those children with severe disabilities. Financial assistance is in the form of reimbursement for expenses incurred. Depending upon need, income and expenditures, caregivers may be reimbursed from \$200 to \$500 per month for services and supplies (e.g., respite care, incontinent supplies, etc.); and up to \$2000 lifetime benefit for home modifications and assistive devices.

- **Congregate Meals**...meals provided in a group setting to eligible persons and served at Senior Community Centers/Satellite Centers. All meals must comply with requirements for menu development, sanitation standards, transportation, and reporting standards. Foods or combinations of foods served must meet 1/3 RDA requirements, only foods meeting this eligibility can be counted as USDA reimbursable. With prior written approval from the Lackawanna County Area Agency on Aging, meals may occasionally be served at approved alternate locations such as picnics, etc. All dietary needs will be considered as a choice at all Senior Centers. If kosher meals are to be provided, details regarding packaging, transportation and delivery of food must be detailed to include how meals will remain Kosher throughout the process from preparation to consumption.

Unit of service = one meal.

- **Dietitian**...an individual with a bachelor's degree in dietetics who has successfully completed the national examination of the Commission on Dietetic Registration (CDR) and maintains continuing education requirements as established by the CDR. The Dietitian/Nutritionist shall be licensed in Pennsylvania pursuant to the State Board of Nursing regulations at 49 PA. Code, Chapter 21, Professional and Vocational Standards for Licensing Dietitian Nutritionists. Responsibilities of provider are to complete nutrition monitoring, nutrition education and evaluation.

Unit of service = one hour.

- **Escort Transportation**...primarily serves recipients who do not meet eligibility requirements for Shared Ride Transportation and typically require one-to-one supervision in order to safely reach their destination, which is usually medically related. These would include but are not limited to consumers in need of door-to-door service, visually impaired, age 60-64, etc.

Unit of service = one-way trip.

- **Forensic Accountant**...professional services to assist in the Adult Protective Services investigation of alleged financial abuse. Duties include, but are not limited to, review of checking/savings accounts, investments, trusts, deeds, mortgage liens, credit reports, tax returns, stocks, bonds, and any other financial instruments; providing data and reports to determine if financial abuse, fraud or neglect has been perpetrated; supplying report determinations to LCAAA; and expert witness testimony to the District Attorney's office for possible prosecution.

Unit of service = one hour.

- **Guardian of Estate and/or Person**...activities include the evaluation of consumers as to the appropriateness and type of guardianship needed, petitioning for guardianship and acting as a guardian when so appointed by the court.

Unit of service = one consumer served per month.

- **Health and Wellness Program**...delivery of Pennsylvania Department of Aging approved IID Evidence-Based Programs to include name of program, website, program goals & target audience, program description, how/whom program delivered by, training requirements, and the Health & Wellness priority areas. Programs to be delivered to Lackawanna County Area Agency on Aging Senior Centers, as well as senior housing complexes, (public or private), senior clubs, senior organizations and groups. Health & Wellness programs must be evidence based, approved by the Pennsylvania Department of Aging, responsible for collection of data for entry into AAA/SAMS system and have ability to establish a Wellness Committee for reporting to PDA.

Unit of service=one III D program

- **Home Delivered Meals/Emergency Meal**...provides regularly scheduled meals to older adults who may have nutritional needs such as the inability to obtain food or prepare meals due to a physical or cognitive disability, lack of resources for meals or absence of someone willing or able to prepare meals for them. Home Delivered meals must meet at least one-third of the recommended nutritional needs of older persons. Meals can be provided hot, cold, frozen or in combination, to consumers in their individual residences, and not in a congregate setting. Emergency meals generally consist of healthy shelf-stable items that do not require refrigeration or frozen meals that can be delivered prior to need. Meals may be provided when weather, center emergencies or other temporary organizational situations prohibit regular meal service being provided for a defined period of time.

Unit of service = one meal.

- **Home Modifications**...adaptations/modifications made to improve consumer safety, increase functionality, improve accessibility, and to assist in the provision of care to a consumer in his/her home. Most jobs include ramps, minimal step & porch repair to ensure safe entry/exit into the residence, grab bar installation, stairglides and other minor repairs.

Unit of service = one job completion.

- **Home Support**...this consumer choice service should support continued, independent living in the consumer's residence when there are no other informal supports available. Services include basic housekeeping, laundry, shopping, errands, meal prep, garbage removal and minor home repairs to ensure safe and sanitary conditions. Shopping and errands are completed on behalf of the consumer and does not include transportation.

Unit of service = one hour.

- **Information and Referral**...provides information and education on available services and benefits and links individuals with appropriate agencies and community resources that can meet their needs. I & R activities include APPRISE services and telecenters which help Medicare beneficiaries to understand their health insurance options and make informed decisions about what is best for the consumer without providing any bias about their choices.

Unit = Performance-based funding.

- **Legal Services**...the Elder Law Project provides legal assistance, counseling, education and representation to older persons to understand, secure, protect or expand their legal rights. Also included is the development of resources of the local bar association through coordination and referrals of elderly consumers for services on a pro bono or reduced fee basis and provision of counsel to Protective Services Consumers where a petition for Emergency intervention is filed and approved by the Court of Common Pleas.

This includes representation with or without the consumer's presence before a public benefit agency. Cases are only for non-fee generating and civil legal problems. Time spent on general or case-specific record keeping, staff meetings, intra-agency case discussions, transportation, and other administrative expenses supporting the legal services program shall not be included in consumer hours reported, although the costs of such activities are charged to this cost center.

Unit of service = one consumer hour of direct service received by a consumer and includes time spent with or on behalf of a consumer (including assessment of the consumer's needs).

- **Medical Equipment, Supplies, Assistive/Adaptive Devices**...consumer choice service for equipment, supplies and devices used to assist consumers with certain medical conditions, illnesses, and/or disabilities to remain independent and living in their homes. Includes the purchase of items that are not covered under other available health care funding.

Durable Medical Equipment - items primarily used in the presence of illness, injury or functional disability that can withstand repeated use and are appropriate for use in the home. Items in this definition shall be Medicare, Medicaid or Third Party non-reimbursable.

Medical Supplies - Expendable, disposable or consumable supplies used in the provision of home health or personal care to chronically ill or disabled consumers at home not otherwise covered by other insurance or third party payer.

Assistive/Adaptive Devices - Items and/or aids that will enable consumers with functional disabilities to perform ADLs and IADLs more independently.

Unit of service = one item.

- **Ombudsman**...are federally mandated, legally-based, and state-certified via standardized trainings to actively advocate and give voice to consumers of long-term care services. Pennsylvania ombudsmen champion the rights of these consumers to achieve the highest quality of life and care wherever they reside. They are united through an impassioned commitment to listen, educate, investigate, mediate, and empower through a visible presence.

Ombudsman program directs the PEER Program which is a self-advocacy and empowerment partnership between residents, facility staff, and the local ombudsman. Pennsylvania's Empowered Expert Resident (PEERs) are long-term care consumers who are trained in self-advocacy and empowerment in order to provide support for other long-term care consumers in skilled nursing facilities and personal care homes where they reside.

Unit of service = a resolved complaint.

- **Outreach**...provides education on benefits and services available and assistance in applying for the same to disabled, low income, minority and/or isolated persons. Services are provided in a consumer's residence or a community setting. Outreach tasks supplement care management activities and are completed at the request of the LCAAA.

Unit of service = one consumer face-to-face contact.

- **Personal Care**...consumer choice service that includes assistance with Activities of Daily Living (ADL's), such as feeding, skin and mouth care, ambulation, bathing, hair care, grooming, shaving, dressing, transfer activities, toileting, and assistance with self-administration of medications (i.e. opening medication containers, providing verbal reminders). Consumers receiving Personal Care services shall need some degree or amount of hands on Personal Care to assist with the completion of activities of daily living (ADLs) during each authorized visit.

Home Support activities may be included in personal care service if they are necessary and secondary to the provision of personal care.

Unit of service = one hour.

- **Personal Emergency Response Systems (PERS)**...consumer choice service where an electronic device enables eligible high-risk consumers, who must be capable of using this device, to receive help in the event of an emergency. PERS services are limited to consumers who live alone or are alone for significant parts of the day, are significantly at risk for falls, have an unstable medical condition and have no regular caretaker for extended periods of time or lives with an individual who may be unable to promptly call for help in the event of an emergency.

Services for bid include basic PERS unit, cellular PERS unit, auto-alert with basic PERS unit, auto-alert with cellular PERS unit, GPS PERS unit, Wanderguard PERS unit, medication dispenser, lockbox, 2nd pendant and large pendant.

Unit of service = one month lease.

- **Pest Control/Fumigation**...may be used for purposes of eliminating pests or rodents in order to maintain safe, sanitary living conditions in a consumer's home environment. Services may be provided on a one-time or ongoing basis as deemed necessary to eradicate pests and rodents and maintain a pest-free or rodent-free living environment.

Unit of service = one job completion.

- **Senior Community Center Events** ...activities to meet the socialization, recreational, educational and enrichment needs of older persons. A diverse offering of programs, activities and services to active older adults in communities are planned and implemented. Activities usually take place in a senior community facility in which people age 60 years of age and over, and their spouses (regardless of age), can meet with one another to access a wide array of services and fulfill many social, physical, emotional and intellectual needs. Staff members are responsible to facilitate and adjust to the tastes and preferences of an increasingly diverse target population and balance the need for establishing programming for younger seniors and their older counterparts.

Unit of service = one activity

- **Visitation Services**...are provided by volunteers, stipend or paid workers to frail, elderly consumers in need of socialization, companionship, reassurance, emotional support, light chores and/or advocacy.

Unit of service = one hour of face-to-face contact.
