

QUESTIONS AND ANSWERS FOR RFQ #313-2016-1100-1

1. Is there a budget for this proposed scope of work?

Answer: Yes

2. Will this scope of work include evaluating how Lackawanna County Area Agency on Aging will engage and/or work with Pennsylvania Department of Human Services Community HealthChoices?

Answer: Although the move towards Community HealthChoices may be a discussion point during focus groups or the resultant mapping session and strategic plan, it is not a central focus given the survey will mainly elicit the current perceptions and needs of the consumers and their families.
