Changes in RED.

Intervals : Will be the same as general population 1/2 hour intervals.

All Visitors for SH, SHV (SHV+) and RHU must arrive a 1/2 hour prior to the start of the visitation period.

This allows ample time for transportation.

No inmate will be moved during a visit already in session.

Location: Inmates classified SH, or RHU with separations will be transported separately and placed on opposite sides of visitation. SHV, SHV+ use the interview rooms.
