LACKAWANNA COUNTY BOARD of COMMISSIONERS

DEPARTMENT OF HUMAN SERVICES

LACKAWANNA/SUSQUEHANNA OFFICE OF DRUG AND ALCOHOL PROGRAMS

REQUEST FOR QUALIFICATIONS for SERVICE PROVIDERS

Fiscal Year 2018-2019

Issued: April 03, 2018

RFQ ID #: 093/18/1100/02

1. INTRODUCTION:

NOTICE IS HEREBY GIVEN that pursuant to a fair and open process, sealed submittals will be received and reviewed by the County of Lackawanna ("COUNTY") Board of Commissioners ("Board of Commissioners") for the provision of services to eligible individuals served by the Lackawanna/Susquehanna Office of Drug and Alcohol Program / Substance Abuse Prevention and Treatment Block Grant. This RFQ will be used in applying for funds to provide services for Fiscal Year 2018/2019.

Submission Deadline:

Respondents must submit their written Submittals by 4:00 p.m. prevailing time: May 01, 2018

Contact Person: Gayle Sensi Email: humanservices@lackawannacounty.org

Submissions received will be reviewed and evaluated by the Lackawanna/Susquehanna Office of Drug and Alcohol Programs (herein after referred to as the Department), based upon such criteria as the Department, in its sole discretion, deems appropriate. The Department reserves the right to request clarification or additional information from any respondent. The Department, in its sole discretion, may accept or reject any or all submittals.

The Department reserves the opportunity to modify this Request for Qualifications (herein after referred to as RFQ) at its own discretion and without prior notice, and to waive any immaterial defect or informality in any proposal as may be permitted by law.

2. PURPOSE:

The purpose of this Request for Qualifications is to solicit submissions from qualified agencies and/or individuals to provide professional services on behalf of the County in connection with the
administration of the Substance Abuse Prevention and Treatment Block Grant. Service areas/definitions include:

- **Drug and Alcohol Services – Recovery Support**: This activity involves the provision of nontreatment services that assist individuals and families to recover from substance use disorders and that are not included under another activity, e.g., Recovery Housing. Examples include but are not limited to transportation, mentoring programs, training and education programs, and telephonic recovery support programs.

- **Drug and Alcohol Services - Emergency Housing**: This activity can include emergency shelter and housing assistance to homeless or near homeless individuals who agree to participate in drug and alcohol treatment services, self-help groups, or other recovery support services.

- **Drug and Alcohol Services - Recovery and Other Approved Housing**: This activity can include admission into a temporary lodging facility licensed by DDAP or a Recovery House that meets minimum requirements identified in DDAP Treatment Manual. Either type of housing is designed to provide a semi-protected home-like environment that can assist a client in his or her gradual re-entry into the community. No formal treatment (e.g., counseling, psychotherapy) takes place at the facility. This is a live-in/work-out situation involving short-term housing.

- **Drug and Alcohol – Intervention Services**: This level of care involves the provision of services aimed at assisting the client in coping with a specific crisis or other situation in his or her life whereby his or her customary modes of adaptation have proven inadequate. This level is aimed at assisting in decision-making and supporting the client until he or she can cope with the situation independently. Referral is provided if the need for a structured treatment regimen or other service is indicated.

- **Drug and Alcohol – Prevention Services**: This level of care involves a proactive process that empowers individuals and systems to deal constructively with potentially difficult life situations, to keep healthy people healthy and to bolster the strength of those at risk. It requires that a measurable, risk-based series of collaborative and culturally relevant strategies be employed to preclude or reduce those uses of drugs and alcohol that have a negative impact on the individual, the family, and the larger society. Negative impact includes the physical, mental, or social consequences that result in the reduction of optimum functioning at home, in school, at work, or in the community. Positive behaviors are defined as those which include increased self-understanding, improved interpersonal and human relations skills, enhanced ability to relate to social institutions, and effective coping behaviors to deal with stress. Prevention activities are targeted at the total populations, with an emphasis on delivering appropriate services prior to the manifestation of inappropriate behaviors. Prevention activities can be delivered through schools, media, family or community agencies and groups.
