GRANT TERMS AND CONDITIONS

GRANT #:________ DATE of AGREEMENT:__________

GRANTOR: County of Lackawanna

GRANTEE:________________________

We suggest that your solicitor/counsel review the terms and conditions in this section before you submit a grant application. They are mandatory for all grant projects and are not negotiable.

If the applicant is selected for funding, the TERMS AND CONDITIONS OF GRANT in this section will function as the Grant Agreement between the applicant and Lackawanna County, and SECTION 5. CERTIFICATION & ACCEPTANCE included in this application package (Page 4) will become the GRANTEE’s signature page for the Grant Agreement.

TERMS AND CONDITIONS OF GRANT

“COUNTY” in the terms and conditions below means the Board of Commissioners of Lackawanna County. “GRANTEE” means the grant applicant that has been awarded this grant.

ARTICLE I

GRANT AMOUNT; PROJECT ACTIVITIES

There is no guarantee that the amount requested will be awarded. Subject to the awarding and availability of funds by the COUNTY, the GRANTEE shall use the grant money, additional local matching funds, and other Federal or state grant monies, if any, specified in SECTION 3. PROJECT FUNDING of the application package (Page 3) to carry out the project activities.

Project activities for purposes of this GRANT AGREEMENT mean activities that have been authorized by the COUNTY to be performed under this GRANT AGREEMENT. Such activities include those contained in the GRANTEE’S application as approved by the COUNTY.
ARTICLE II
EXECUTION OF GRANT AGREEMENT; GRANT AGREEMENT PERIOD

This GRANT AGREEMENT is not binding on the COUNTY until it has been properly executed by the required signatory(ies) for the COUNTY. Any cost incurred by the GRANTEE prior to such execution is incurred at the GRANTEE’S risk.

Costs for project activities incurred during the GRANT AGREEMENT period will be covered by the GRANT AGREEMENT. The dates of the GRANT AGREEMENT shall be concurrent with the dates of any Grant Agreement(s) of the Federal or state grant monies secured for the project. If no Federal or state grant monies are being utilized, the GRANT AGREEMENT period shall be one (1) year from the execution of this GRANT AGREEMENT by the COUNTY.

ARTICLE III
COMPLIANCE WITH APPLICABLE FEDERAL, STATE, AND LOCAL LAWS

The GRANTEE shall comply with all applicable Federal and state statutes and regulations and local ordinances.

ARTICLE IV
PAYMENTS

The COUNTY will issue payments to the GRANTEE upon submission of a “Request for Reimbursement” from the GRANTEE for project costs encumbered. The GRANTEE’S Request for Reimbursement shall be supported by properly executed vouchers, invoices, cancelled checks, and any other records detailing the nature and propriety of the charge.

Payments under this GRANT AGREEMENT will be subject to the performance of all terms and conditions of this GRANT AGREEMENT.

The COUNTY may deny or adjust payment for any expenditure that is not in accordance with the terms of this GRANT AGREEMENT.

The COUNTY will not be liable for any expenditure by the GRANTEE that is not for project activities or that is for costs exceeding the amount stated in this GRANT AGREEMENT.
ARTICLE V
PROGRESS REPORTS

The GRANTEE shall furnish concurrently to the COUNTY such progress reports as required by the grant agreement(s) of the Federal or state grant monies secured for the project. If no Federal or state grant monies are being utilized, progress reports shall be furnished to the COUNTY within ten (10) days upon request by the COUNTY.

ARTICLE VI
AUDITS

The COUNTY may perform, or require the GRANTEE to perform, a financial and/or performance audit. Any audit that the GRANTEE is required to perform by the COUNTY shall be performed by a certified public accountant in accordance with procedures and standards specified by the COUNTY.

ARTICLE VII
SIGNAGE

Within sixty (60) days of the completion of the project, the GRANTEE, at its expense, shall erect and maintain a permanent sign acknowledging assistance from the COUNTY on the site. The sign will state the project was provided with financial assistance from the COUNTY. It will identify the Community Re-invest Program and the names of the Lackawanna County Commissioners and display the official county seal. The required signage may be incorporated onto any other sign(s) required as part of any additional financial assistance between the GRANTEE and any federal, state, or other applicable agency.

In lieu of the required signage, the COUNTY may provide a mounted, 11” x 17” facsimile check to the GRANTEE, acknowledging the grant. The GRANTEE will be required to display the facsimile check on site of the project or within an appropriate public building affiliated with the GRANTEE and project location (i.e. municipal building, park office, concession stand, etc). Signs for outdoor projects not affiliated with an enclosed structure must be weather-proofed; therefore, the facsimile check would not be an option for this type of project.
ARTICLE VIII
REFUND OF GRANT FUNDS

The GRANTEE shall refund to the COUNTY any overpayment of grant funds as determined by the COUNTY.

IN WITNESS WHEREOF, the COUNTY and GRANTEE (by signatory in Section 5 of the Grant Application) have executed this Agreement as of the same first above written.
