DISCUSSION ITEMS

- a.) **Land Bank Website Update:** Mr. Kelly stated the Land Bank website is now live at www.lackalandbank.com. Staff has been updating it as properties are acquired and sold. Atty. Colbassani asked if we are still keeping the other link on the Lackawanna County website updated. Mr. Pappas answered yes, at least for now. Mr. Pappas explained that interested parties can now complete and submit applications online. Mr. Pappas stated that the first application

submitted was a donation application. However, they decided to withdraw the application on the advice of their accountant. A short discussion followed regarding the property they wanted to donate. Atty. Colbassani further explained that he is attempting to get the Land Bank a 4076C letter from the IRS. This would provide proof that a person donating a property to the Land Bank could get a tax deduction for the donation. The discussion continued regarding the donation process and some of the past donation requests.

- b.) **Blight to Bright LSA Grant Update:** Mr. Kelly explained that the blight task force held its first meeting on August 23, 2018. The next meeting is scheduled for September 20, 2018 at 4:30PM at NeighborWorks offices at 815 Smith Street, Scranton. Todd Pousley from NeighborWorks, who was present at this meeting, has been coordinating the task force meetings. There are approximately 18 members on the task force. Mr. Kelly explained there was a lot of dialogue and good discussions at the first meeting. He explained there will be 4 meetings of the task force. The 4th meeting will be a public meeting with all county municipal officials invited. At that meeting, there will be a presentation of the best strategies to fight blight and how a municipality can implement these strategies with addressing blight within their community.
- c.) **1445 Meylert Avenue Update:** Mr. Kelly explained that he was told demolition should start next week. The addendum agreement with Lace Building Affiliates has been executed. Since this is part of the overall Lace Building rehabilitation project, Chairman O'Malley requested that we schedule a ceremony at the site the day before the actual demolition begins. The discussion continued regarding the demolition of the Lace Company building and how the bricks from the building are being salvaged, cleaned and sold.
- d.) **Bid Openings:** Mr. Pappas explained there were no actual bids to be opened at this meeting. The applications to be reviewed and acted upon at this meeting were submitted with the offers attached and not sealed bids.

PROPERTY DISCUSSIONS

525 North Bromley Avenue

Mr. Kelly explained that the Land Bank is having an issue with the City regarding the land bank owned property at the rear of 1619 Price Street. It was condemned so it's deemed unsafe. The City refuses to take it down since it is owned by the Land Bank. Chairman O'Malley stated it is not our responsibility. He stated that his position is the Land Bank will not acquire any repository properties located in the City with structures until the structure at the rear of 1619 Price Street is torn down. Mr. Kelly stated a letter should be sent to the Mayor and Mr. Patrick Hinton that the Land Bank will halt the acquisition of any structure until the demolition of the Price Street property is addressed. Mr. Kelly further stated that the Land Bank has already committed \$10,000 in tipping fees toward the demolition of 2 other structures in the City. Chairman O'Malley asked Atty. Colbassani if there is any recourse the Land Bank has if the potential purchaser of a property backs out of the sale prior to closing. The discussion continued regarding various options the Land Bank could do in this situation. Mr. Kelly stated we received an application to purchase 525 North Bromley Avenue from Cody Mackin. However, if Mr. Mackin drops out of the purchase, the Land Bank will be stuck with this structure as well. It was suggested that we alert the City that we will not acquire 525 North Bromley Avenue until they agree to demolish rear 1619 Price Street. Everyone agreed.

506-508 Kirkland Street
