

# HOW TO GET TESTED FOR COVID-19

## PENNSYLVANIA RESIDENT

### I HAVE MILD SYMPTOMS:

Please stay home. If you feel worse, contact your health care provider.

### I HAVE SEVERE SYMPTOMS:

If you have a fever over 100°, shortness of breath and cough, **CALL** your health care provider.

If you do not have a health care provider, **CALL** your local health department or 1-877-PA-HEALTH.

If you still need help, **CALL** your local emergency department.

## HEALTH CARE PROVIDER

### I FEEL A PATIENT SHOULD BE TESTED:

Order a test without consulting with the Department of Health through a commercial lab.

### I WANT TO CONSULT WITH DOH TO SEE IF A TEST IS NEEDED:

Call 1-877-PA-HEALTH.

### I CONSULTED BUT DOH DOESN'T RECOMMEND A TEST:

If you feel that a patient should be tested, order a test through a commercial lab.

THE STATE PUBLIC HEALTH LABORATORY IS PRIORITIZING THE FOLLOWING PEOPLE FOR TESTING:

1. People who are severely sick for unknown reasons
2. People in congregate care settings
3. People in contact with known cases of COVID-19
4. Health care providers
