

**The PA CareerLink® Lackawanna County is here to assist you. However, if you have any symptoms of COVID-19,** which include fever, cough, and shortness of breath, we ask that you reconsider visiting our office today. We also ask for this consideration if you have been in contact with someone who has these symptoms or has been diagnosed with COVID-19.

We are taking precautions to keep members of the public and our staff healthy during this trying time. We will be limiting the number of people in the public areas of our building and will be practicing social distancing (keeping a distance of 6 feet) from others when possible.

We ask for your help in doing so by voluntarily refraining from visiting our office in person if you have any symptoms of COVID-19 or have been in contact with anyone who does.

Many of our services are available online and our staff is able to assist you by telephone.

Thank you for respecting our choice to protect ourselves and the public during this uncertain time.
