

**Lackawanna County
Arts and Culture 2020 Community Project Grant
Request for an Extension**

We hope you are all healthy and safe. We understand the COVID-19 crisis has caused significant disruption for our grantees and are allowing grantees to change dates of programs or if need be defer until the following year. We do require a form to be filled out which can be found at LackawannaCounty.org Click on the tab top far right GOVERNMENT DIRECTORY then select Business and Community and in the middle of the page Arts and Culture. Request for extension will be located on the Arts and Culture page. If a grantee requests an extension that may be in the year 2021, this WILL NOT affect their eligibility to apply for a 2021 Community Project. If you have any questions regarding the final report, please email any question, to arts-culture@lackawannacounty.org

Individual or organization (recipient) _____

Address _____

Telephone number _____

e-mail address _____

website if applicable _____

Grant amount received _____

Project original start and end date _____

Request an EXTENTION (date) _____

Please submit a brief narrative answering the following questions:

- Project extension start and end date.
- How the extension will alter or change your original project.
- How the extension will enhance your project.
- Will your project be geared toward the same audience, individuals, groups, etc. or will the extension change that?
- Will there be any community partner(s)?
- Will there any changes in the grant execution from the original grant proposal?
- Any unexpected challenges by the extension.

Request for and extension should be submitted via e-mail arts-culture@lackawannacounty.org
