Additional PennDOT Photo License Centers Reopen

Customers are required to wear masks at all locations

Harrisburg, PA – The Pennsylvania Department of Transportation (PennDOT) announced today that beginning Saturday, June 20, 2020, additional centers throughout the state will offer photo license services, adhering to restrictions on work and social interaction set by Governor Tom Wolf and the Pennsylvania Department of Health.

These re-openings are in addition to those previously [announced](#) on June 4, 2020.

The below locations will be opened for photo services only. Customers in need of a photo must have a correct camera card to obtain photo services. Customers without camera cards seeking renewal of their non-commercial license or ID should renew online or by mail to avoid an unnecessary visit to the location.

For a list of driver license and photo license centers that are currently open, as well as their hours of operation, please visit www.dmv.pa.gov.

In all reopened locations, the following COVID-19 safety protocols will be in place:

- Customers will be required to wear masks while in the facility;
- Seating will be reduced at all locations to make social distancing easier to maintain six feet distances between each seat;
- The number of customers will be limited to correspond with available counter stations and available seating in the customer waiting area only;
- Admittance to the facility will be limited to only the customer requiring service, unless assistance is needed by an accompanying person;
- Plexiglass sneeze guards have been installed at each counter to protect customers and employees;
- Cleaning protocols have been enhanced to sanitize facilities on an ongoing basis; and
- Markings on floors have been added to assist with social distancing along with signage to communicate special instructions to customers.

As PennDOT reopens driver license and photo license centers, services will be in high demand, and customers should expect longer than normal waits.

Customers may continue to complete various transactions and access multiple resources online at www.dmv.pa.gov. Driver and vehicle online services are available 24 hours a day, seven days a week and include driver's license, photo ID and vehicle registration renewals; driver-history services; changes of address; driver license and vehicle registration restoration letters; ability to pay driver license or vehicle insurance restoration fee; and driver license and photo ID duplicates. There are no additional fees for using online services.

PennDOT will continue to evaluate these processes and will continue to reopen other locations as soon as safely possible. We will continue to communicate any reopening and changes with the public.
