

Tarp crew interviews are **Saturday, July 25, at 6 PM** in front of the PNC Field entrance.  
For further information call **570-561-8568**.

The **Scranton/Wilkes-Barre RailRiders** are looking for crew members to join our Tarp Team for the upcoming **Yankees Alternate Training Site!**

Tarp Crew members will report to the Director of Field Operations. Applicants must be in excellent physical condition, 18 years-of-age or older and available on-call with very short notice.

Upon an anticipated weather event, the Director of Field Operations will send out a notice-of-time to report to the field for tarp duty. The Director of Field Operations will send out the call as soon as possible to allow for as much time as possible to prepare and drive to PNC Field. There may however be times where immediate assistance is needed and there will be minimal advance notice.

At times, you may be called in for tarp duty that involves some waiting and sitting around for an undetermined period of time waiting to ensure the tarp is placed ON the field at the right time (timing is everything)! Depending on the weather, you may wait around for the appropriate time to take the tarp OFF the field, or you may be given an expected time to report back to the field to take the tarp OFF the field. Position pays \$10/Hour.

You must check in each-time upon arrival to have your temperature checked and to complete a questionnaire to ensure all COVID-19 and Major League Baseball (MLB) protocols are met.

Tarp Team Crew Members will be needed between (approx.) July 23rd – October 31st.

Interested applicants can email information to [shorne@swbrailriders.com](mailto:shorne@swbrailriders.com). An in-person interview will be scheduled.
