

Dear Senior Health Fair Supporters:

You are receiving this message due to your past attendance/interest in our Senior Health Fair. At this time, we will be postponing the fair until June 2021, and possibly combining it with our Senior Family Fun Day event. More information will follow once more details are ironed out.

Also, we will not be conducting the Senior Health Service because not enough interest was generated for us to move forward with a virtual segment portion.

Some of you expressed interest in donating information literature and/or novelty items without the virtual segment. If you would still like to do this, our Area Agency on Aging team would be happy to get materials out to seniors at their homes during their scheduled appointments.

Please contact Sara McDonald at 570.904.7788 or email her at mcdonalds@lackawannacounty.org in regards to the amount of literature and/or novelty items you wish to drop off and when. She will then set up appointment times with you.

Items brought to our lobby area, should be addressed to Sara McDonald's attention at the Lackawanna County Government Center, 123 Wyoming Avenue, Scranton, PA 18503.

Thank you for your continued interest in both our community's seniors and County activities.

Sincerely,
The Area Agency on Aging Team
