

FOR IMMEDIATE RELEASE

December 11, 2020

**UPDATED: Department of Health Provides Update on COVID-19:
5,877 Patients Hospitalized and 1,218 Patients in the Intensive Care
Unit**

12,745 Additional Positive Cases of COVID-19

Harrisburg, PA - The Pennsylvania Department of Health today confirmed as of 12:00 a.m., December 11, that there were 12,745 additional positive cases of COVID-19, bringing the statewide total to 470,034.

There are **5,877** individuals hospitalized with COVID-19. Of that number, **1,218** patients are in the intensive care unit with COVID-19. Most of the patients hospitalized are ages 65 or older, and most of the deaths have occurred in patients 65 or older. More data is available [here](#).

The trend in the 14-day moving average of number of hospitalized patients per day has increased by nearly 4,500 since the end of September.

Statewide percent positivity for the week of November 27 – December 3 stood at 14.4%.

The most accurate [daily data is available on the website](#), with [archived data also available](#).

As of 11:59 p.m. Thursday, December 10, there were 225 new deaths reported for a total of 12,235 deaths attributed to COVID-19. County-specific information and a statewide map are available on the [COVID-19 Data Dashboard](#).

Mask-wearing is required in all businesses and whenever leaving home. Consistent mask-wearing is critical to preventing the spread of COVID-19.

There are 28,466 individuals who have a positive viral antigen test and are considered probable cases and 641 individuals who have a positive serology test and either COVID-19 symptoms or a high-risk exposure.

There are 3,009,510 individuals who have tested negative to date.

In nursing and personal care homes, there are 42,380 resident cases of COVID-19, and 7,841 cases among employees, for a total of 50,221 at 1,381 distinct facilities in all 67 counties. Out of our total deaths, 7,425 have occurred in residents from nursing or personal care facilities. A county breakdown can be found [here](#).

Approximately 16,424 of our total cases are among health care workers.

Statewide – The Wolf Administration has – since noon, Dec. 10:

- Announced [new protective mitigation efforts](#) to put Pennsylvania on pause.
- Provided latest [CMU metrics](#).
- Announced [First Lady Frances Wolf tested negative for COVID-19](#).
- Provided [Pennsylvania State Police enforcement data](#).

The Wolf Administration stresses the role Pennsylvanians play in helping to reduce the spread of COVID-19:

- Wash your hands with soap and water for at least 20 seconds or use hand sanitizer if soap and water are not available.
- Cover any coughs or sneezes with your elbow, not your hands.
- Clean surfaces frequently.
- Stay home to avoid spreading COVID-19, especially if you are unwell.
- If you must go out, you are required to wear a mask when in a business or where it is difficult to maintain proper social distancing.
- Download the COVID Alert PA app and make your phone part of the fight. The free app can be found in the [Google Play Store](#) and the [Apple App Store](#) by searching for “covid alert pa”.
