Department of Health Provides Update on COVID-19: 5,561 Patients Hospitalized and 1,160 Patients in the Intensive Care Unit

8,703 Additional Positive Cases of COVID-19

Harrisburg, PA - The Pennsylvania Department of Health today confirmed as of 12:00 a.m., December 9, that there were 8,703 additional positive cases of COVID-19, bringing the statewide total to 445,317.

There are 5,561 individuals hospitalized with COVID-19. Of that number, 1,160 patients are in the intensive care unit with COVID-19. Most of the patients hospitalized are ages 65 or older, and most of the deaths have occurred in patients 65 or older. More data is available [here](#).

The trend in the 14-day moving average of number of hospitalized patients per day has increased by nearly 4,300 since the end of September.

Statewide percent positivity for the week of November 27 – December 3 stood at 14.4%.

The most accurate [daily data is available on the website](#), with [archived data also available](#).

As of 11:59 p.m. Tuesday, December 8, there were 220 new deaths reported for a total of 11,762 deaths attributed to COVID-19. County-specific information and a statewide map are available on the [COVID-19 Data Dashboard](#).

Mask-wearing is required in all businesses and whenever leaving home. Consistent mask-wearing is critical to preventing the spread of COVID-19.

There are 24,965 individuals who have a positive viral antigen test and are considered probable cases and 642 individuals who have a positive serology test and either COVID-19 symptoms or a high-risk exposure.

There are 2,972,594 individuals who have tested negative to date.

In nursing and personal care homes, there are 40,983 resident cases of COVID-19, and 7,585 cases among employees, for a total of 48,568 at 1,363 distinct facilities in 66 counties. Out of our total deaths, 7,215 have occurred in residents from nursing or personal care facilities. A county breakdown can be found [here](#).

Approximately 16,021 of our total cases are among health care workers.

Statewide – The Wolf Administration has – since noon, Dec. 8:

- Provided latest [CMU metrics report](#).
- With religious leaders [asked Pennsylvanians to keep each other safe](#) during the holidays.
- Provided an [update on testing and contact tracing](#).
- Provided [Pennsylvania State Police enforcement data](#).

The Wolf Administration stresses the role Pennsylvanians play in helping to reduce the spread of COVID-19:

- Wash your hands with soap and water for at least 20 seconds or use hand sanitizer if soap and water are not available.
- Cover any coughs or sneezes with your elbow, not your hands.
- Clean surfaces frequently.
- Stay home to avoid spreading COVID-19, especially if you are unwell.
- If you must go out, you are required to wear a mask when in a business or where it is difficult to maintain proper social distancing.
- Download the COVID Alert PA app and make your phone part of the fight. The free app can be found in the [Google Play Store](#) and the [Apple App Store](#) by searching for “covid alert pa”.
