As of 11:59 p.m. Tuesday, January 19, there were 401 new deaths reported for a total of 19,868 deaths attributed to COVID-19. Seventy-eight percent of the deaths occurred over the past 10 days, the remainder of deaths reported today occurred in late December and early January. County-specific information and a statewide map are available on the [COVID-19 Data Dashboard](#).

Mask-wearing is required in all businesses and whenever leaving home. Consistent mask-wearing is critical to preventing the spread of COVID-19.

There are 79,856 individuals who have a positive viral antigen test and are considered probable cases and 637 individuals who have a positive serology test and either COVID-19 symptoms or a high-risk exposure.

There are 3,507,092 individuals who have tested negative to date.

In nursing and personal care homes, there are 60,319 resident cases of COVID-19, and 11,267 cases among employees, for a total of 71,586 at 1,523 distinct facilities in all 67 counties. Out of our total deaths, 10,112 have occurred in residents from nursing or personal care facilities. A county breakdown can be found [here](#).

Approximately 21,690 of our total cases are among health care workers.

COVID-19 Vaccine Distribution

Pennsylvania hospitals began receiving shipments of the Pfizer-BioNTech COVID-19 vaccine the week of Dec. 14 and Moderna COVID-19 vaccine the week of Dec. 21.

Through Jan. 19:

- 516,746 doses of the vaccine have been administered. Please note that this does include vaccine administration through the CVS as part of the Federal Pharmacy Partnership.
 - There are 354,728 people that have received one dose (partially covered).
 - There are 81,009 people that have received two doses (fully covered).
 - The math results in 516,746 doses administered.

A spreadsheet of facilities that have received vaccine can be found [here](#).

Statewide – The Wolf Administration has since noon, Jan. 19:

The Wolf Administration stresses the role Pennsylvanians play in helping to reduce the spread of COVID-19:

- Wash your hands with soap and water for at least 20 seconds or use hand sanitizer if soap and water are not available.
- Cover any coughs or sneezes with your elbow, not your hands.
- Clean surfaces frequently.
- Stay home to avoid spreading COVID-19, especially if you are unwell.
- If you must go out, you are required to wear a mask when in a business or where it is difficult to maintain proper social distancing.
- Download the COVID Alert PA app and make your phone part of the fight. The free app can be found in the [Google Play Store](#) and the [Apple App Store](#) by searching for “covid alert pa”.
