Piazza del Arte, Lackawanna County Courthouse

Lackawanna
County

Festival of Trees

Festival of Trees is an annual display of Christmas trees decorated by community organizations, businesses and schools to raise funds for Toys for Tots, as well as brighten up the holidays! Throughout the years, it has been held at various locations, and this year it is moving outside to the Lackawanna County Courthouse featuring live trees! This year's display will be up from December 3 to January 7.

Cost to Sponsor a Tree

Due to Covid-19 this year, the Lackawanna County is offering a special discount at \$25 per tree and will match/donate additional funds to donate to Toys for Tots.

2021 Theme

This year's theme of *The Wonders of Nature* honors the healing role that nature has played throughout the pandemic. Much of our lives changed and activities were limited, but we were able to enjoy the natural world as a place of relaxation and peace.

Details on Setting Up your Tree

As this is the first year outside, we are limiting trees to 24. The live Christmas trees will be provided and set up. Participating organizations must supply decorations that are able to withstand harsher conditions such as wind, snow and rain and lights. Power will be supplied. Trees must be set up by December 2. After you register, you will be contacted for set up times. Decorations must be removed by January 14.

Requirements Must Be Followed:

- Outdoor extension cords only
- LED lights are required
- No use of water-soluble glue on ornaments
